

Transcript of Our Plan video 4 – Volunteer enquiries

Welcome to this Ignite Hub video. Today, Emily will explain the volunteer enquiries section of Our Plan.

The section about volunteer enquiries, coloured green, shows you how many enquiries a county, district or division has at either the new submitted, contacted or meeting arranged stages.

This is a snapshot from when our plan data is collected but shows the number of enquiries an area has who might require a warm welcome event to meet other potential volunteers in the area, or a check-in via WhatsApp message to see how their unit visit went.

Thank you for joining us. We hope you enjoyed it. We would love to hear your thoughts. So please fill in the feedback form on the Ignite Hub web page.
