<p><b>Are there any specific reasons as to why your unit will be unable to pay the subscription bill this year?</b> This is where you can tell us about anything else we should take into account when considering your application.</p>	<p>We have 2 girls who struggle to pay weekly fees at the moment due to their family situation so we would like to help them cover the annual subscription to make sure they stay in guiding. One of the girls is a young carer so guiding is really important as it gives her some time to relax and be with friends without pressure. The other girl's family has fallen on hard times and they've made us aware that they are really struggling right now. I've only recently taken over the unit so haven't been able to build up reserves to cover costs for these 2 girls but really want to make sure they have guiding as a safe space where they can just be children. The annual subscription for girls in our area is £58 so we're applying for £116.</p>
<p><b>Please upload a recent bank statement for the unit</b> (This should be dated within the last 3 months - if you can't provide a statement or only have one which is less recent, you can explain that in Q15.)</p>	<p>[uploaded bank statement from December 2024]</p>
<p><b>If you haven't uploaded a bank statement for the unit named in the application, please explain why here.</b> If you have provided a statement, just write N/A</p>	<p>N/A</p>
