<p>Are there any specific reasons as to why your unit will be unable to pay the subscription bill this year?</p> <p>This is where you can tell us about anything else we should take into account when considering your application.</p>	<p>I am seeking a contribution towards the per head cost of girls and leaders. We took on 6 extra girls at the start of the year when another unit closed unexpectedly so haven't budgeted for such a big unit. This years' cost is £58 per head and we have 18 girls and 3 adults. Our total invoice will be £1218. A grant for £348 will let us cover the cost of the extra girls we hadn't budgeted for.</p>
